**LETTER FROM OUR HEAD OF SCHOOL
& SCHOOL COMMITTEE CLERK**

Dear Friends,

Since 1890, Scattergood has educated young people from around the globe by focusing on Quaker principles and values. Today, we know we have done our job when students leave Scattergood and exemplify strong character, lively intelligence, creativity, and compassion. For nearly 125 years, Scattergood has fostered the development of the whole person in becoming a global citizen and steward of the Earth, making room for quiet spiritual reflection every day as we live in community. Today, we strive toward instilling a sense of place and purpose in our values and commitment into the wider and rapidly changing world.

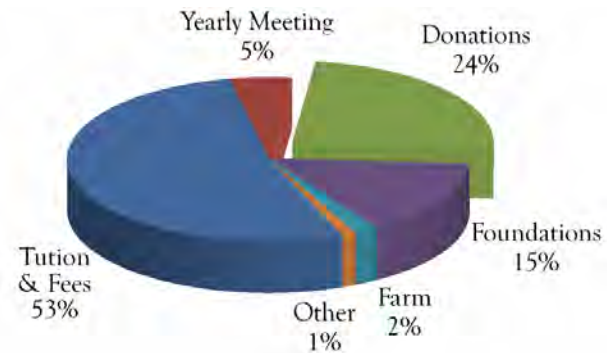

Now more than ever, we need schools such as Scattergood that produce motivated and open-minded learners who value and practice simplicity, integrity, equality, and non-violence. Every kindness and gift bestowed makes a tremendous difference in the lives of our students, and is appreciated. We thank you for supporting our students, and are grateful for the opportunity to continue this meaningful work.
