

Scattergood Friends School

Enrollment for 2008-2009 School Year

Scattergood requires an enrollment deposit for all students wishing to enroll at the school. By signing this form and submitting a deposit of \$500.00 a space is reserved for your student for the coming year. This \$500.00 deposit is separate from tuition and is not a down payment on tuition.

If the student fails to register at the opening of the school year in August 2008 or fails to complete the 2008-09 school year, the deposit is forfeited. If your student does not return next school year, or if your student graduates, the deposit will be refunded on June 30th, 2009. The deposit is held by the school as long as the student continues to be enrolled. Thus, if the student wished to enroll for the 2009-2010 school year, the deposit is retained and no additional deposit is required.

Refunds are only made if:

1. the student completes the year for which they have enrolled, **and**
2. all financial obligations to the school have been met

Tuition, room and board costs for the 2008-09 school year are \$22,750.00 for full boarding and \$21,250.00 for five-day boarding. Tuition for day students is \$13,950.00.
